One of the bigger tournaments of the year will wind down this weekend as SuperKombat, in association with K-1, will be bringing to the world the SuperKombat World Grand Prix Finals. We've seen SuperKombat throughout the year host a series of preliminary tournaments and this is the Finals, where the winner receives not only bragging rights to winning one of hte bigger Heavyweight tournaments of the year, but a nice sum of money and a new Mitsubishi. Last year's winner, Sergei Laschenko, will not be in the proper tournament this year, but is a reserve fighter.

For the first time, you'll be able to catch the event live here in the United States and around the world and we are happy to announce that LiverKick is partnering with SuperKombat to help bring this event to you. You will be able to watch the event live this weekend at 3PM Eastern Time/12PM Pacific Time here on this very page. You will be able to purchase the event for just $5 USD.
