Sure, we don't have the final date and location of the K-1 World Grand Prix Finals yet, but we do have some insight into what one of the big matchups will be Romania's own Catalin Morosanu going up against Croatia's powerhouse Mirko "Cro Cop" Filipovic. This is an interesting style matchup as Morosanu is a very powerful brawler and Cro Cop in his twilight years has become more of a careful technician who has a ton of knockout power and one of the most deadly left hands and left high kicks in the business. This still isn't final or official yet, but if it went down it'd be pretty cool.
