## FightstarTV Shows Off Peter Aerts' New Gym

Written by Dave Walsh Monday, 11 April 2011 18:37 -

FightstarTV is one of the few websites that brings fresh, unique video content from the world of Dutch kickboxing, and never to disappoint, they walked through the opening of Peter Aerts' new gym in the Netherlands where the Dutch Lumberjack has vowed to help other fighters train and learn proper technique.

Watch as Mr. K-1 gives a guide through his new gym including the upstairs with a juice bar and a balcony overlooking the gym floor. [ <u>source</u> ]
