For those that might have forgotten, Badr Hari is set to square off with Zabit Samedov again on May 25th in Russia at LEGEND FC, which also features the return to the ring of Aleks Emelianenko, the brother of Fedor Emelianenko. He'll be fighting none other than Bob Sapp. Yes, that Bob Sapp.

To top it off there will be a one-night, four-man tournament featuring 71kg fighters. It's Arture Kysheno vs. Yuri Bessmertny and Dzhabar Askerov vs. Enrico Gogokhia. That is a pretty good card, is it not? Anyway, here is the new official promo video for the event with a lot of Badr Hari featured in it.
