After a successful year for SuperKombat, the four final participants for the "World Grand Prix Final" met today in Darmstadt, Germany to determine a winner of a brand new Mitsubishi Lancer and 50 000 Euros. Sergei Lascenko rolled through Erhan Deniz and Ismael Londt squeaked by Pavel Zhuravlev, both in the semi finals. Londt and Lascenko met in the finals and threw down, vying not to depend on the judges for a win. Both fighters tasted the canvas, but who would overcome being knocked down to prevail? Watch the fight and see.
