A Message From Buakaw: "See You Soon."

Written by Rian Scalia Wednesday, 21 March 2012 01:01 -

Buakaw and Yokkao Boxing are still hard at work building the new Banchamek Gym, which Buakaw will use as his new fight alias. The gym is coming along well and it's pretty amazing just how fast they've put it together. Buakaw took some time out to thanks Yokkao and all his fans for their support in this new video that Yokkao just put out. He even said it in English too, which is pretty cool.
