The top two 70kg fighters in Australia are facing off on April 28 in a huge fight on the Australian fight scene. Moxon is the top 70kg K-1 rules fighter while Giorgi is the top 70kg fighter in Muay Thai. Steve Moxon in particular has big K-1 aspirations and while the 70kg Final 16 is already set for this year, I think by the time next year rolls around and K-1 gets back on track, they'll start to bring in some new faces. Moxon is one that I think has a good shot of getting into K-1 in the future.

Today he released a video of the lead up to his fight with Frank Giorgi, detailing his training and lifestyle. Check it out.
