Video of Joe Schilling vs. Karapet Karapateyan From This Weekend

Written by Dave Walsh Sunday, 10 June 2012 14:13 -

Sure, Joe Schilling was supposed to step in for Simon Marcus to fight Artem Levin this weekend. It seems like anyone fighting Levin this weekend was just doomed from the start, but that is alright because Levin will be fighting again soon and hopefully will be challenged from someone on North America at some point soon just to end the "what ifs." Anyway. Here is the video from Joe Schilling's fight for all of you people out there that believe that you cannot stop crazy.
