

Lion Fight had already announced that their big September 20th event, Lion Fight 11, would go down at the Fremont Experience in Las Vegas and would be headlined by Nampon, but he didn't have an opponent until last night. It was announced that the 23-year old Thai fighter will square off against veteran Muay Thai, Kickboxing and MMA fighter Cosmo Alexandre on September 20th.

Cosmo Alexandre currently trains out of the Blackzilian camp down in Boca Raton, Florida with the likes of Tyrone Spong, Alistair Overeem and Rashad Evans. Cosmo has competed under the Lion Fight banner previously, defeating Cyrus Washington at Battle in the Desert 2 and losing to Sakmongul at Battle in the Desert 3.
