The first Road to GLORY tournament took place yesterday in Tulsa, Oklahoma, with the 95kg tournament being won by Dustin Jacoby. He beat Brian Collette in the finals. Although Collette didn't win the tournament, he stopped his first two opponents and impressed the GLORY team so much so that he was signed. In particular, Collette scored a huge high kick knockout against Jeremy Freitag in his quarter final match-up. Thanks to MMATopic, we have video right here so check it out.
