This is what a lot of us have been waiting for; what will GLORY do with those "Super Fight Series" fights on their undercards? We spoke with them and found out that they'd be on their website, but it wasn't clear when they'd appear and if they'd cost money to watch or not. Well, today we stirred to find a nice surprise; the GLORY 10 undercard is up on their site and it is entirely free! That means that the fights that you missed can be viewed now on GLORY's website on demand for absolutely free while we get excited over GLORY 11 Chicago.

Here is the breakdown;
